

# The Great Boat Race

1. Use sheet of newspaper approximately 22" x 36". Fold in half.

2. Fold half-way mark of folded edge indicated by the X. Then fold outer corners to meet in the middle.

3. Taking ONE LAYER OF PAPER ONLY, fold bottom edge up to A and B, as shown in diagram.

4. Fold bottom edge up once more. TURN OVER and repeat steps 3 and 4 on the other side.

5. From underneath, hold the front with left hand. Hold back of hat with right hand. Pull gently apart to make Figure 6.

6. Flatten out X to get the figure shown. Then fold front flap up as shown by dotted line and arrow. TURN BOAT OVER and turn back flap up in the same way.

7. Pull forward with left hand. Pull backward with right hand. Flatten.

8. Hold boat LIGHTLY on both sides. Pull outward so that bottom edge is flat up.

Completed boat.

Use newspaper to make a fleet of ships that will really float in water.
